

A-G Classes

A-G classes are classes that you must take and pass with at least a C to be accepted to a state university or UC. They are also called “college-prep” classes.

The A-G requirements list the minimum number of years of each A-G class that you must take and pass. But keep in mind that the A-G requirements are a *minimum*, and you will need to take more than the A-G requirement minimum to actually be accepted into a university.
