Mojo and Growth Mindset Worksheet

1. Why does Mojo want to leave school?

2. Do you think Mojo can become smarter? Why or why not?

3. What subject does your partner feel frustrated by sometimes? How might they get better at that subject?

4. What does the phrase "mistakes can make you smarter" mean to you?

5. Ask your partner to tell you about a recent mistake they made. What happened? How could they learn from it?

6. What should you do if you are stuck on a project, math problem, or worksheet question?

7. Why is the word “yet” so powerful? What is something that your partner does not know how to do “yet” but wants to learn.

8. What are neurons? How do we make connections between them?

9. What was time when your partner made some new connections in their brain. What were they doing?

10. What feelings does your partner have when something is too hard? Is it okay to feel that way?

11. What kind of attitude should we have when facing a challenge, and why is that important?
